Mr C. Rajagopalachariar, Asst Com. doing duty in the Survey Deptt, was, during the absence of Mr K. Ramaswamiengar, Special Asst Supt, on leave, put in charge of the latter's establishment in addition to his own. The Survey Comr sanctioned to Mr Rajagopalachariar an allowance of Rs 75/- per mensem, for the month of Novr 1903, on the authority of an office order dated 21.10.1872. The Comptroller objected to the amount. This retrenched & Supt. The Survey Comr now requests that his authority to sanction the allowance in cases of the kind in question may be affirmed by Govt.

The allowance in question is meant to meet the expenses connected with the office accommodation etc.

Serial No. 3. Letter No. 6673 dated the 25th May 1904, from the Comptroller.

T States that there is no authoritative ruling of Govt. authorizing the Survey Comr to sanction the allowance in question, that according to the Civil Account Code, retrenchment orders are communicated to the Treasury officer & the officer directly concerned & that if Govt. empower the Sur: Comr to sanction the allowance, the necessary provisions therefor will be made in the Service Regulations.

The above letter shows that the annoyance complained of by the Survey & Settlement Comr was due to strict adherence to the procedure adopted in such cases by the Comptroller.

Draft empowering the Sur & Settlement Comr to sanction the allowance is submitted for approval or orders.

Submitted to His Highness.

The power of sanctioning tentage allowances to officers of his department when placed in charge of an additional survey party, may be confirmed to the Survey and Settlement Commissioner, and the proposed addition to articles 110 and 538 of the Service Regulations, may be sanctioned. The immediate cause of this necessity for a rule, was on account of the Comptroller having disallowed, as being unauthorized, an allowance granted by Col. Grant under the authority of an office order of 1872, to Mr. Rajagopalachar who was in charge of Mr. K. Ramaswamy Iyengar's establishment also, when the latter was on leave.

OFFICE OF THE SUPERINTENDENT
OF REVENUE SURVEY.

Bangalore, dated 11th April 1904.

From

COLONEL J. P. GRANT,
~~*Superintendent, Mysore Revenue Survey.*~~
Survey & Settlement
Commissioner Mysore

To The Officiating

Secretary to the Government of Mysore,

Gen. & Rev. Depts.

Sir,

I have the honor to submit for the orders of Government, the annual returns with a file of correspondence on the subject of the retrenchment of the additional office or tentage allowance of Rs 25 drawn by Mr C Rajagopalacharlu Assistant Superintendent

Commissioner

Commissioner in charge A Esta-
=blishment for being in charge
of the B Establishment in ad-
=dition to his own during the
absence of Mr K. Ramswamy-
Iyengar, Special Assistant in
Superintendent, on long leave.

2. The facts of the case are
so clearly set forth in the
Deputy Superintendent's letter
No 440 of the 7th Instant that
it would be pure iteration to go
over them again

where no
Iteration

3 Briefly the Comptroller
disputes the authority of the
Survey Commissioner to sanc-
=tion the allowance of Rs 75/- to
an Officer placed in charge of

a

a second Establishment and also has in the present instance adopted the unprecedented step of retrenching the allowance drawn by Mr Rajagopalacharlu without intimation either to the Survey Department or to the Officer concerned. Both the questioning of the Survey Commissioner's authority and the mode of retrenchment are opposed to all former precedent as the correspondence fully shows.

4. The exigencies of the Department left me no other course than to put Mr Rajagopalacharlu in charge of a second Establishment. It was no advantage to him but quite

the

the contrary, as he had to do double work and the Office or tentage allowance of Rs 75 represented actual expenditure. The arrangement would not have been made excepting under pressure but, having been made, it was entirely economical to Government, the only person inconvenienced being Mr Rajagopalachariar who however cheerfully undertook double work. To disallow the extra Rs 75 in his case would be not only to exact double work from him but to put him to extra expense by having to provide accommodation for the second Establishment

5. As no previous objection or procedure of the nature now complained of had ever occurred before I have no doubt that there has been some misunderstanding but I would now beg Government to affirm the authority of the Survey Commissioner to grant the Office or tentage allowance pertaining to the Establishment in whosesoever charge it may be. The allowance in fact is part of the Establishment organization and has always been so recognized. As regards the steps taken by the Comptroller to retrench I can of course say nothing beyond stating that a reference

to

to the Department before objections are given effect to would probably be useful.

6. In the case now in point I think Mr Rajagopalacharlu has been most ungenerously dealt with owing to a mis-take no doubt but not on that account the less annoying.

Sir,

I have the honor to forward copies of the marginally-noted correspondence that passed between this Office and the Comptroller regarding the retrenchment of the additional Office or tentage allowance of Rs: 75/ drawn by Mr: C. Rajagopalachariu, Assistant Commissioner "A" Establishment, for being in charge of the "B" Establishment in addition to his own, during the absence of Mr: K. for your information and orders.

2. The Comptroller in his last docket No: 5180/1215 of the 14th ultimo, noted above, requests to be furnished with copies of the correspondence that passed in 1890, when similar charges were passed by him on the authority of the Survey-Superintendent, without Government sanction. Copy of this correspondence is herewith submitted. The Comptroller in the same docket further requests to be furnished with a copy of the "Authority empowering the Survey Commissioner to grant additional allowance for being in charge of a second Establishment". No such record is forth coming in this Office. Perhaps the same system that was in force in the Bombay Presidency must have been continued in Mysore.

3. Survey Commissioner's sanction to grant additional allowance for being in charge of a second Establishment as per Departmental Circular Orders has been accepted as sufficient authority by the Comptroller whenever such charges

charges were incurred, since the com-
mencement of the Survey operations in
this Province. The accompanying corres-
pondence clearly proves this fact. Now,
the Comptroller questions the authority
of the Survey Commissioner, for the first
time, to grant such allowances. This is not
only the most economical but the only
feasible arrangement that could be
made under the peculiar circumstances
of the Department and the limited num-
ber of Officers attached to it. The Offic
who takes charge of an additional Esta-
blishment has also to provide Office
accomodation &c for that Establishment
out of this allowance and he gets no
other deputation or acting allowance
for additional work, responsibility
and expense thrown on him.

4. To save once for all, further
correspondence and also the annoyance
of cutting down allowance drawn un-
der proper authority, from Officers

Pay

Pay Bills without any previous intimation either to this Office or to the Officer concerned, as has happened in the present case, I most respectfully beg to request that you will be pleased to move the Government to recognise the authority vested in the Survey Commissioner under the departmental circular Orders, to grant additional Office or Tentage allowance to Survey Officers whenever they are put in charge of other Establishments in addition to their own.

him from my office for being cast in

the authority of your objection Statement
No 47 of 27th Nov 1903, addressed to the
Deputy Commissioner, Bangalore District, I have
the honor to state as follows.—

2 Your aforesaid retrenchment
order is based on the ground that Mr
Rajagopala Chariar is not entitled to
draw the additional office allowance
of Rs 75/- for August 1903 for being in
charge of the B Establishment in
addition to his own without Govern-
-ment sanction. Regarding this,
I beg to point out that the powers of
sanctioning additional Tentage
or office allowance to Survey
officers

officers when they are put in charge
of other Establishments in addition
to their own, rests with the Survey
Commissioner as per instructions
contained in the Departmental Cir-
cular Order No. 1422 dated 21 Oct 1872
and in accordance with this Order,
the Survey Commissioner sanctions
Mr. Rajagopala Charlu's drawing an
additional office allowance of Rs. 75/-
per mensem, for being in charge of
B Establishment in addition to his
own, with effect from 1st August 1903,
has been duly conveyed to this office
in his memo No. 119 dated 29th July 03
* (see copy of which is herewith sent) and this authority has been quoted on
Mr. Rajagopala Charlu's pay Bill.

* in his memo No. 119 dated 29th July 03

3. There have been several instances in which Survey officers were allowed to draw additional office allowance under the circumstances noted in the aforementioned Departmental Letter with the sanction of the Survey Commissioner but without Government sanction. Such charges were invariably rejected in your office. Among such instances I beg to invite your special attention to the correspondence beginning with your office No 602 dated 15th Jan 1890 and ending with this office reply No 93 dated 3rd March 1890 when I was authorised by the Survey Superintendent to draw an additional allowance of

Rs

Rs 75/ a month for being in charge of "J" Establishment, in addition to "D" Establishment. I was then in charge of Continuously for about a year. This extra charge has been accepted in your office without Government Sanction. There are several other instances. The above Correspondence if kindly referred to, will show that no Government sanction is necessary for the extra allowance drawn by Smt. Rajagopala Thanka. I beg also to state that objection statements regarding Survey officers have been hitherto addressed to this office, but no intimation was given to me in the present instance

As no Government sanction is necessary for the extra office allowance drawn by Sub Rajas of Alathur, for reasons already stated, I beg you to be kind enough to issue orders for the refund of Rs 875/ deducted from Sub Rajah Rajapalathur's pay Bill for Nov. 1903, and for the cancellation of any other objection statements if subsequently issued.

I further beg that objection statements relating to Survey officers may be forwarded to my office as has been the invariable practice hitherto.

SIR,

With reference to your docket No.Fl:2989 dated 3rd Instant forwarding for report letter No.1006 dated 4th April '04 from the Survey & Settlement Commissioner in Mysore regarding his authority to sanction an allowance of Rs.75 per mensem to officers in the Survey Department when put in charge of two establishments, I have the honor to state that in the salary bill of Mr.C.RajagopalCharlu Assistant Commissioner doing duty in the Revenue Survey Department for the month of August 1903 an extra allowance of Rs.75 was drawn therein for being in charge of "B" establishment which allowance was disallowed by this office on the ground that he was not entitled to it without the sanction of Government. The reason for this action is based on the fact that in each instance of an offic posted or appointed for duty in the Revenue Survey Department special orders were passed by the Government to the grant to them of the prescribed rates of tentage and travelling allowance (vide Pro: of Govt: No.R3313-14 dated 3rd February 1902, R.2679-81 dated 3rd December 1902, R1287-8 R.F.105-1896-7 dated 11th November 1903). SUBJECT MATTER

Stating that Govt have decided to empower the Survey Commissioner, to grant Revenue Survey depth Officers Tentage allowance pertaining to his Estt. Formal orders Govt may be passed to make suitable provision in the Mysore Service Regulations

charge of an additional establishment are to be admitted on the Survey Commissioner's sanction.

In regard to the authority cited by the Survey Commissioner letter No.1422 of 1872 from the Survey & Settlement Commissioner to the Superintendent Mysore Revenue Survey it will be seen that the latter officer was merely directed to apply to the Commissioner for sanction for drawing the extra Rs.75/- in every case of an Assistant Superintendent holding charge of a second establishment but no Government Resolution or authority is cited on which the instructions were based.

As to the order of retrenchment not being sent through the Head of the Survey Department I have to state that according to the ruling in the Account Code such orders are communicated to the Treasury officer a copy of which is forwarded for the information of the officer retrenched which has been followed in this instance and in future as desired by the Survey Commissioner they will be sent through him.

If the Government should accede to empowering the Survey Commissioner to grant Revenue Survey Department office~~r~~ tentage allowance pertaining to his establishment I beg that formal orders may be passed thereon when necessary provision will be made by this office in the Mysore Service Regulations therefor.
